

Harrow and District Caledonian Society

DANCE CLASS CHARTER

TO SAFEGUARD OUR MEMBERS AND OTHER HALL USERS
WHEN RESUMING DANCING THIS SEASON

H D C S

We will ensure dancers are either **double vaccinated** (check at first class)
or have a **negative lateral flow test** on the day of the event
(check at every class if unvaccinated)

We will keep a **record of those attending**

We will **open doors and windows**

We will **start the term gently** as people haven't danced for some time

All Dancers

Dancers should **bring their own hand sanitiser**
and should **sanitise their hands** on entering the building

Dancers should **reapply sanitiser** after every dance
(or couple of dances) and avoid touching their face

Dancers should **pay in advance** where possible to minimise contact with money
(electronic bank details are available, but cash/cheque payments will still be accepted)

Dancers should **self-sign in** (after first two weeks)
and **bring their own pen** to do so

Dancers should **bring their own drink** (and not enter the kitchen)

Dancers should **not access the rear corridor** of the building
other than to set up and put away the equipment

Masks need not be worn except when leaving the hall to use the toilets,
but if dancers do wish to wear a mask while dancing be supportive

If dancers do not wish to touch hands be supportive

H D C S

We will **stop dancing at 10.00pm** to allow cleaning of the hall

We will **consider any additional suggestions** made by dancers
so that people can feel as safe as possible while participating
